

The Nightingale Center is seeking a **Therapist** (LMHC, LMFT, LISW, or similar credentials) to join our growing team.

#### About Us:

The Nightingale Center offers comprehensive mental health and wellness services. Our primary focus is on perinatal and reproductive medication management, therapy and education for individuals, families and clinicians seeking support. We are a family-focused team that fosters a caring and supportive environment. Our doors opened this fall, affording you the opportunity to grow with the organization from the ground up.

#### Your Role:

- Provide evidenced-based outpatient therapy in the state of Iowa (in-person and/or via telehealth) for adults with a primary focus on perinatal and reproductive mental health
- Safeguard the client experience, maintaining client confidentiality and upholding our commitment to safety
- Collaborate with client's psychiatric provider and other specialists to provide comprehensive holistic care
- Counsel patients on healthy lifestyle choices, diet, and integrative self-care
- Provide consultation and health education to patient, support people, and clinical team
- Maintain documentation of services including progress notes, quarterly treatment plan reviews, and other required information in compliance with agency and third party compliance standards
- Complete other duties as may be assigned by immediate supervisor that are consistent with the responsibilities of the position
- Embrace core values of optimism, gratitude, consistency and empathy
- Protect our workplace culture by recognizing and supporting team goals and building positive relationships with team members
- Options for both telehealth and in-person appointments are available

#### Minimum Qualifications:

- Master's Degree (or higher) in counseling, marriage and family therapy, or related field
- Temporary licensed individuals will be considered
- 2 years of clinical experience preferred, though not required

#### Compensation & Benefits:

- Salary negotiable
- Sign-on bonus
- One year retention bonus
- Continuing education allowance
- Full office support including marketing, billing & scheduling
- In clinic specialized training, case consultation, and support on perinatal mood and anxiety disorders (PMADs), infertility, birth trauma etc.
